Hi Sonja...The drugs that will be the subject of the case are [REDACTED] [REDACTED] sold 3 times to an undercover agent, each time just 2 oxycodone tablets. West Springfield PD executed a search warrant and found more drugs, but because she had prescriptions for some, they decided not to charge her for just having it, even though she was selling it.

So she's not being charged with possession of marijuana < 1 oz. [REDACTED]?

Also, I noticed that [REDACTED] is methadone, not oxycodone (both Class 'B'). Just making sure we're on the same page.

Hi Sonja,

This case has been called in for trial next Tuesday, 2/7/12. The drugs are oxycodone tablets. Would you be available that day? There are only a few witnesses on this case, so I expect that I would probably get to you on Tuesday. If that poses a problem, let me know. Thanks!

Hope all is well.
